

Message from the President

Expand our businesses and solve the societal challenges within the growing market of healthcare, agriculture and infrastructure.

I would like to take this occasion to express particular thanks for the support of our shareholders.

We will accelerate our growth strategies based on the philosophy of Topcon contributes to enrich human life by solving the societal challenges within healthcare, agriculture and infrastructure.

In healthcare, we will address the increase in eye disease resulting from global population aging by working to enhance IoT medical network solutions to improve early detection of diseases and increasing medical efficiency. In agriculture, we will address food shortages resulting from global population growth by enhancing our IT agriculture solutions to improve productivity and quality. For infrastructure, we will enhance IT construction solutions to respond to engineering labor shortages caused by increasing global infrastructure demand

At Topcon, we are dedicated to fulfilling the expectations of our stakeholders and expanding business and solving societal challenges.
